

Responding to Student Disclosures and Concerns Workshop

Designed for;

- School leaders
- School teachers and teacher aids (full-time, casual, temp)
- Boarding school employees (including contractors)
- School nurses, counsellors and chaplains
- Outside school hours care and Early learning centre staff

Safeguarding Our Children Support

At the end of the session participants will be able to;

- Enhance staff knowledge and skills in recognising, responding to and reporting suspected harm or risk of harm in a realistic risk-free learning environment.
- Ensure school staff can skillfully support children during disclosures of abuse and neglect.
- Increase staff confidence when acting on suspicions of harm or risk of harm resulting from abuse and neglect.
- Assist in clarifying when a report about a student must be made to statutory authorities.

Workshop delivery;

Participants experience two case studies designed to explore harm or risk of harm resulting from child abuse and neglect. The scenarios are delivered through powerful videos supplied by Dept of Education and Training.

Participant feedback indicates highly relevant, engaging and supportive facilitation, and practical solutions.

One facilitator with extensive experience in the field and as a facilitator.

No more than 20 attendees

Choose from 2 options;

1. Stand-alone scenario-based workshop (2 hours)

2. Train-the-trainer model (1 day)

- Session equips the participant to return to the school to facilitate a one or two hour workshop for other staff. We train a few so that the school can deliver to many.
- Includes additional information and research to ensure the participant feels confident to deliver at school and answer questions, a workbook, facilitator's guide and a copy of the PowerPoint slides.

Host organisation provides a training room, parking, data projector, whiteboard & catering. Host organisation can invite other organisations to share costs.
