

Working with Children (Blue Card) Implementation Workshop

Designed for organisations that;

- provide services to children,
- must implement the WWC legislation in Queensland,
- recruit and screen employees and volunteers,
- maintain an Employee Register (Blue Card Register), and
- are determined to create a safe environment for children.

Safeguarding Our Children Support

At the end of the session participants will be able to;

- Interpret and apply the WWC legislation (QLD)
- Clarify obligations and concerns regarding WWC screening and maintenance of the Employee Register (Blue Card Register)
- Understand current practice - your organisation's processes and documentation
- Identify gaps in current practice and useful tools and strategies
(Templates provided that can be customised to your organisation)
- Evaluate current internal audit practices to ensure evidence of compliance
- Understand the difference between **eligible** to work with children and **suitable** to work with children
- Understand the importance of the Child and Youth Risk Management Strategy

Workshop delivery;

Interactive hands on workshop
